CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

2. PROPOSED GRANTING OF THE REPURCHASE, ISSUE AND EXTENSION MANDATES

At the annual general meeting of the Company held on 8 September 2023, general mandates were granted to the Directors to exercise the powers of the Company to repurchase Shares and to issue new Shares. Up to the Latest Practicable Date, such mandates have not been used and, if not used by the date of the 2024 AGM, will lapse at the conclusion of the 2024 AGM.

In order to give the Company the flexibility to issue and repurchase Shares if and when appropriate, the following ordinary resolutions will be proposed at the 2024 AGM to approve the granting of new general mandates to the Directors:

- (a) a general and unconditional mandate to exercise all powers of the Company to repurchase Shares, on the Stock Exchange, or on any other stock exchange recognized by the SFC and the Stock Exchange, of not exceeding 10% of the number of Shares in issue (excluding Treasury Shares, if any) as at the date of passing of such resolution (i.e. a total of 80,000,000 Shares on the basis that the existing number of Shares in issue (i.e. a total of 800,000,000 Shares as at the Latest Practicable Date) remains unchanged as at the date of the 2024 AGM) (the “**Repurchase Mandate**”);
- (b) a general and unconditional mandate to allot, issue or deal with new Shares (including the resale and transfer of Treasury Shares) of not exceeding 20% of the number of Shares in issue (excluding Treasury Shares, if any) as at the date of passing of such resolution (i.e. a total of 160,000,000 Shares on the basis that the existing number of Shares in issue (i.e. a total of 800,000,000 Shares as at the Latest Practicable Date) remains unchanged as at the date of the 2024 AGM) (the “**Issue Mandate**”); and
- (c) a general and unconditional mandate to extend the Issue Mandate by the number of Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate (excluding those held as Treasury Shares) (the “**Extension Mandate**”).

The Repurchase Mandate and the Issue Mandate will continue to be in force until the conclusion of the next annual general meeting of the Company held after the 2024 AGM or any earlier date as referred to in the proposed ordinary resolutions contained in items 7 and 8 of the notice of the 2024 AGM as set out on pages 17 to 20 of this circular.

In accordance with the requirements of the GEM Listing Rules, the Company is required to send to Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate at the 2024 AGM. The explanatory statement as required by the GEM Listing Rules in connection with the Repurchase Mandate is set out in Appendix I to this circular.

3. PROPOSED RE-ELECTION OF THE RETIRING DIRECTORS

Pursuant to Article 84 of the Articles of Association, Mr. Choi Man Ho, Mr. Voon David Hian-fook and Mr. Wu Ping Lam Michael David shall retire at the 2024 AGM. All of the above three Directors, being eligible, will offer themselves for re-election at the 2024 AGM.

The Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Directors, the qualifications, skills and experience, time commitment and contribution of the retiring Directors with reference to the nomination principles and criteria set out in the Company’s Board Diversity Policy and Director Nomination Policy, the Company’s corporate strategy and the independence of the independent non-executive Director.

LETTER FROM THE BOARD

Mr. Voon David Hian-fook and Mr. Wu Ping Lam Michael David, the retiring independent non-executive Directors, have confirmed their independence with reference to the factors set out in Rule 5.09 of the GEM Listing Rules. The aforesaid independent non-executive Directors also demonstrates the ability to provide an independent, balanced and objective view to the Company's matters. The Nomination Committee and the Board thus considered that the retiring independent non-executive Directors are independent in accordance with the independence guidelines set out in the GEM Listing Rules.

Besides, the Nomination Committee and the Board believed that all the retiring Directors will continue to make contribution to the Board and are satisfied with all the retiring Directors' contribution to the Company, which will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. The Nomination Committee and the Board therefore recommended the re-election of all the retiring Directors, including the aforesaid independent non-executive Directors, who are due to retire at the 2024 AGM.

Pursuant to Rule 17.46A of the GEM Listing Rules, an issuer shall disclose the details required under Rule 17.50(2) of the GEM Listing Rules of any director(s) proposed to be re-elected or proposed new director(s) in the notice or accompanying circular to its shareholders of the relevant general meeting, if such re-election or appointment is subject to shareholders' approval at that relevant general meeting. The requisite details of the above Directors are set out in Appendix II to this circular.

4. 2024 AGM AND PROXY ARRANGEMENT

The notice of the 2024 AGM is set out on pages 17 to 20 of this circular. At the 2024 AGM, resolutions will be proposed to approve, inter alia, the granting of the Repurchase Mandate, the Issue Mandate and the Extension Mandate to the Directors, and the re-election of the retiring Directors.

Pursuant to the GEM Listing Rules, any vote of shareholders at a general meeting must be taken by poll. Accordingly, all the proposed resolutions will be put to vote by way of poll at the 2024 AGM. An announcement on the poll vote results will be made by the Company after the 2024 AGM in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

A form of proxy for use at the 2024 AGM is enclosed with this circular and such form of proxy is also published on the websites of the Stock Exchange at www.hkexnews.hk and the Company at www.derivaasia.com. Whether or not you are able to attend the 2024 AGM, please complete and sign the form of proxy in accordance with the instructions printed thereon and return it, together with the power of attorney or other authority (if any) under which it is signed or a certified copy of that power of attorney or authority, to the Company's Hong Kong branch share registrar and transfer office, Tricor Investor Services Limited, at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong as soon as possible but in any event not less than 48 hours before the time appointed for holding the 2024 AGM or any adjournment thereof (i.e. not later than 12:00 noon on Wednesday, 4 September 2024). Completion and delivery of the form of proxy will not preclude you from attending and voting at the 2024 AGM if you so wish and in such event, your proxy form shall be deemed to be revoked.

Treasury Shares, if any and registered under the name of the Company, shall have no voting rights at the general meeting(s) of the Company. For the avoidance of doubt, for the purpose of the GEM Listing Rules, Treasury Shares, if any, pending withdrawal from and/or transferring through CCASS shall not bear any voting rights at the Company's general meeting(s).

LETTER FROM THE BOARD

5. RECOMMENDATION

The Board considers that the ordinary resolutions to be proposed at the 2024 AGM are in the interests of the Company and the Shareholders as a whole. Accordingly, the Board recommends the Shareholders to vote in favour of the relevant resolutions at the 2024 AGM.

6. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular: Appendix I — Explanatory Statement on the Repurchase Mandate; and Appendix II — Details of the Retiring Directors Proposed to be Re-elected at the 2024 AGM.

7. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
By order of the Board
DLC Asia Limited
Lau Ming Yeung, Lambert
Chairman

The following is an explanatory statement required by the GEM Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the 2024 AGM in relation to the granting of the Repurchase Mandate.

1. REASONS FOR REPURCHASE OF SHARES

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company, the Group and the Shareholders as a whole.

When exercising the Repurchase Mandate, the Directors may, subject to market conditions and the Company's capital management needs at the relevant time of the repurchase, resolve to cancel the shares repurchased following settlement of any such repurchase or hold them as Treasury Shares.

Shares repurchased for cancellation may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. On the other hand, Shares repurchased and held by the Company as Treasury Shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the GEM Listing Rules, the Memorandum and Articles of Association, and the laws of the Cayman Islands. Repurchase of Shares will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders. The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

The Directors have no present intention to cause the Company to repurchase any Shares and they would only exercise the power to do so under circumstances where they consider that doing so would be in the best interests of the Company and the Shareholders as a whole.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 800,000,000 Shares in issue.

Subject to the passing of the proposed ordinary resolution set out in item 7 of the notice of the 2024 AGM in respect of the granting of the Repurchase Mandate and on the basis that the number of Shares in issue remains unchanged as at the date of the 2024 AGM, i.e. being 800,000,000 Shares as at the Latest Practicable Date, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a total of 80,000,000 Shares, representing 10% of the number of Shares in issue (excluding Treasury Shares, if any) as at the date of passing such resolution.

3. FUNDING OF REPURCHASES

Repurchases of Shares will be funded from the Company's internal resources, which shall be funds legally available for such purposes in accordance with the GEM Listing Rules, the Memorandum and Articles of Association, the Companies Act and other applicable laws of the Cayman Islands.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2024) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time befitting the Company.

For Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it would not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the relevant laws if those shares were registered in the Company's own name as Treasury Shares, which may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

Shareholders and potential investors of the Company are advised to pay attention to any announcement to be published by the Company in the future, including but without limitation, any relevant next day disclosure return (which shall identify, amongst others, the number of repurchased shares that are to be held in treasury or cancelled upon settlement of such repurchase, and where applicable, the reasons for any deviation from the intention statement previously disclosed) and any relevant monthly return.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, Mr. Yu Kwok Tung was deemed to be interested in 294,000,000 Shares, representing 36.75% of the total issued share capital of the Company. Out of these Shares, (i) 278,000,000 Shares (being 34.75% of the total issued share capital of the Company) were held by Oasis Green Ventures Limited (a company wholly owned and controlled by Pacific Asset Limited, which was in turn wholly owned and controlled by Mr. Yu Kwok Tung); and (ii) 16,000,000 Shares (being 2% of the total issued share capital of the Company) were held by the spouse of Mr. Yu Kwok Tung, Ms. Yip Shui Chi Rowena. On the basis that (i) the total number of issued Shares (being 800,000,000 Shares) remains unchanged as at the date of the 2024 AGM; and (ii) the shareholding of Mr. Yu Kwok Tung (being 294,000,000 Shares) in the Company remains unchanged immediately after the full exercise of the Repurchase Mandate, in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the 2024 AGM (presuming that apart from the decrease of the issued share capital arising from the said full exercise of the Repurchase Mandate, there is no other change in the Company's issued share capital), the shareholding interest of Mr. Yu Kwok Tung in the Company would be increased to approximately 40.83% of the total issued

share capital of the Company. In the opinion of the Directors, such increase of shareholding may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not have any present intention to exercise the Repurchase Mandate to such an extent as would give rise to such an obligation.

Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a consequence of any purchases pursuant to the Repurchase Mandate.

In addition, the GEM Listing Rules prohibit a company from making repurchase of its shares on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the company's issued share capital would be in public hands. The Directors do not propose to repurchase Shares, which would result in less than the prescribed minimum percentage of Shares in public hands.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the GEM Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Memorandum and Articles of Association and any applicable laws of the Cayman Islands. In addition, the Company has confirmed that neither the explanatory statement nor the proposed share repurchase has any unusual features.

7. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares have been traded on the Stock Exchange during each of the following months were as follows:

Month	High <i>HK\$</i>	Low <i>HK\$</i>
2023		
July	0.052	0.038
August	0.041	0.036
September	0.044	0.040
